## Summary

Harjandar Kumar Tejjwani, is a passionate student of computer science at Sukkur IBA University, with a keen interest in programming and web development. I have experience in programming languages like C++, Java, and HTML.

I have recently been selected for the STHP scholarship, which is a great honor for me. I am constantly learning and exploring new technologies to improve my skills. I believe that my passion for programming and my problem-solving skills make me strong for any programming or web development role.
